# WHY?

Why is the blue sky blue?

Why is the green grass green?

Why is the red fox red?

Who knows why, do you know why, can anybody tell me why?

No need to be afraid,

To ask how things are made,

No need to be shy,

Just keep on asking what, where, who, when, why?

(why) does a go cart go?

Why does a cuckoo cuck?

Why does a moo cow moo?

Who knows why, do you know why, can anybody tell me why?

No need to be afraid,

To ask how things are made,

No need to be shy,

Just keep on asking what, where, who, when, why?

I have to brush my teeth. Why?

I have to comb my hair. Why?

I have to go to bed. Why?

Who knows why, do you know why?

Who knows why, do you know why?

Can anybody tell me why? WHY?
